in Unesco Heritage village  
Hollókő  
&  
adventure park in Mátra  
mountain

# Managing supported by teachers

## 3 days before

- making teams (15) known, connecting each other online
- making tasks known in headwords

## 1. day

- team building
- making tasks known in detail
- working

## 2. day

- working

## 3. day

- working
- presentation of the outcome
- feedback

# Lessons

---

- Every morning have to make a short team building
- At the end of all days have to feedback
- We have to do more team work – it was too hard and difficult for students
- They have to practice more to present
