

Improvement proposals

SSCN KRETZULESCU, BUCHAREST, ROMANIA

In the period between mobility, joint activities can be carried out through the etwinning platform :

- ▶ Defining and discussing the topic entrepreneur's skills
- ▶ Looking for a solution to a business challenge
- ▶ Completing marketing and business plans
- ▶ Advertising studies
- ▶ Online business reports

Until the C2 meeting in Budapest:

- ▶ Setting up national companies
- ▶ Each country to come to the C2 meeting with an exercise firm / business proposition for an exercise firm

October 2017 and February 2018

- ▶ Between October 2017 and February 2018, training on collaborations between companies on the etwinning platform could take place.
- ▶ We, in Romania, can do one or two hours per week integrated in the curriculum for these etwinning activities

Meeting C3 in Bucharest

Making a fair of the exercise firms

Company of the Romanian team

Organic Architecture: The House for Life

The Romanian team wants to build a company - Construction of organic houses for the population affected by natural disasters
