BODOVA - JA COMPANY

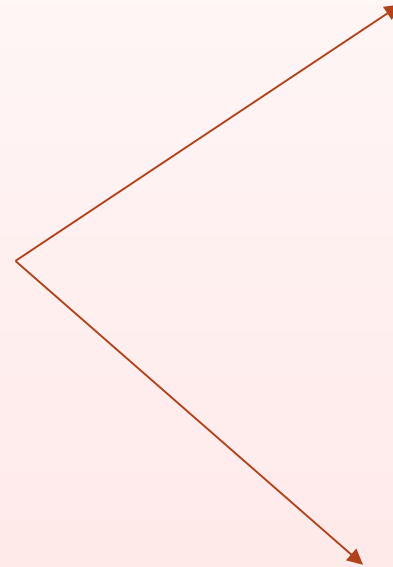

- The first JA company in our school
- It worked from September 2017
- This company produced soaps and bath bombs
- 23 students of the 3rd year of studies
- Every week - 2 lessons
- It ended its activity in June 2018
- Next year two new companies will work

Their products

Bath bombs

Soaps

Soaps

Bath bombs

Some problems

- Sometimes they needed to work after school
- It was necessary to respect the decision of majority
- There was the risk of financial loss
- First products were wrong – they had to throw it away

Benefits of working in the company

- They became a better school team
- New experience – working, communicating
- It helped them to start–up their own business
- Interesting way of learning new things
